DECOWARE 2019

DECOWARE

DEKORLU ÜRÜNLER

Art of Design

Bu kategoride doğanın tüm renklerinin, eşsiz tasarımlara sahip göz alıcı desenlerle birlikte son teknoloji baskı ve boyama teknikleri ve sağlığa zarar vermeyen çevre dostu özel boyalar kullanılarak hayat bulduğu rengârenk Paşabahçe koleksiyonları yer almaktadır.

This category compiles brand new colorful collections of Paşabahçe, carrying all hues of nature combined with unique designs, produced with ultimate printing technologies and eco friendly, healthy special paints.

SOFRA TASARIMININ ÖNEMİ

Yemeklerin sunumu ve içerikleri kadar, sofrada yaptığınız düzen de yemeğinizin lezzetine lezzet katar. Tat alma duyusu, koklama görme ve dokunma duyusu ile bir araya geldiğinde, insanın yemekten alacağı hazı yükseltir. Bu sebeplerle görme duyumuzu doyuracak, yemeklerle bağlantılı iyi bir sofraya stylingi, sunduğumuz yemeğin niteliğine büyük katkı sağlayacaktır. Sofra stylingini bir bütün olarak değerlendirin ve sunduğunuz yemeklerin içeriğiyle birlikte bir konsept belirleyin.

RENKLER VE DESENLERİN İNSAN PSİKOLOJİSİNDEKİ ETKİSİ

Renkler ve desenlerin evde kullandığımız objelerde kullanımının çok farklı sebepleri var. Kullanılan desenlerin, tonların insan bilincinde oldukça büyük etkileri vardır. Sevdiğimiz şeyleri, yaşam içinde kullandığımız objeler üstünde görmemizin olumlu etkileri vardır. Kış günlerinde, bembeyaz karları, doğada hayatta kalan yeşil dalları, yeni yılın getirdiği pozitif ruhu, sıcak dokuları, sıcak lezzetleri, yılbaşındaki umut dolu ruhu simgeleyen desenlerle etrafımız sıcaklık, pozitif öğelerle sarılıyor.

THE IMPORTANCE OF TABLE STYLING

Table styling is important almost as much as the dishes served, the presentation of dishes, and the ingredients. When the sense of taste teams up with the sense of smell and the sense of sight, it increases the pleasure of eating to new heights. For these reasons, a good table styling related to the dishes, which will satisfy our sense of sight, will contribute greatly to the quality of the food presented. Consider the table styling as a whole and determine a concept together with the ingredients of the dishes.

THE EFFECT OF COLORS AND PATTERNS ON THE HUMAN PSYCHE

Certain colors and patterns are used in objects for many different reasons. The patterns and tones used have great effects on human consciousness. Seeing the things we love on the objects we use in daily life has positive effects. White snows of winter days are surrounded with warm, positive elements such as green branches that survive in nature, the positive spirit brought by the New Year, warm textures, warm flavors, patterns that symbolize the hopeful spirit of the New Year.
